Organization Mission Statement-

The Friends of Williams Aquatic Center nonprofit was established in 2010 to work alongside the City of Williams, Arizona, and do everything possible to keep the Williams Aquatic Center pool open, solvent, and improving the health and well-being of the Williams community of all age groups, race, ethnicity, income levels and skill levels to exercise, relax, and have a safe place to play.

Current Status

Our pool was closed in 2020 due to Covid-19 and has been closed for two years. During days of record-breaking heat, our kids had nowhere to play and cool-off. Parents had to drive 30+ miles for their children to get swimming lessons, or they just didn't get lessons. This increases the risk of possible drownings.

FWAC Takes Action

Our goal is to revitalize our community pool back to the vibrant and healthy space it was in 2001-2009 when our community had extended access to the pool, providing a safer place to gather and improve their health and wellness.

1. Get the pool open for the kids this summer.
2. Restore swimming lessons.
3. Begin the process for extending the pool season

How you can help

The donations and participation we receive from you are especially important this year. All proceeds will be used to get the pool open this year and move forward with a plan to extend pool access.

13 Years

This pool is kept full and well-maintained year-round, but here it sits unused 38 weeks each year for the past 10 years.

The Friends of the Williams Aquatic Center wants to extend the pool season to benefit the health and well being of our community.
